Club Policies:

- You must agree to purchase a minimum of two or four scheduled Club orders per year, depending on your membership level.
- If you choose to pick up your order, you must pick it up within 45 days or it will be shipped to you, if your state allows, and shipping/handling charges will apply. You may request additional hold time by emailing august@4rwines.com. Shipped orders incur shipping charges.
- An adult at least 21 years of age is required to sign for shipped orders.
- You must maintain a current, valid credit card, billing and shipping address on file with 4R Ranch under your profile. If a credit card is declined and not updated within 60 days of a scheduled order (scheduled orders occur every March 1, June 1, September 1, and November 1) membership will be canceled and is not renewable. We will contact you by phone, text and/or email if credit cards are declined. Updates to your profile may be made online.
- Order suspensions must be requested prior to the order month and are not in effect until you receive a confirmation from us. Suspension may not be made for consecutive shipments. Maximum of 3 suspensions allowed per member's lifetime.
- Club cancellations must be requested prior to the scheduled order month to be in effect. Club cancellations are not in effect until you receive an email confirmation from us. If cancellation is requested before the minimum number of orders have been fulfilled, your credit card will be billed for the remaining orders.
- Members who elect to cancel and rejoin later are not eligible for membership renewal after a second cancellation.
- Membership is not transferable.
- Wine that is selected to be shipped versus picked up will be sent by the 15th of every club month and your card will be charged prior to shipping.
- If you choose to pick-up your wine, then you must do so by the 15th of the following month after your card has been charged. For example, for clubs to be picked up in March, you must do so by April 15th. If you are not able to do that, then wine will be shipped to the address we have on file. For orders shipped within Texas, the shipping charges are as follows: 3 bottles = \$10.00, 6 bottles = \$15.00 and 12 bottles = \$18.00. Shipping charges may be higher for orders shipped to locations outside the State of Texas.
- If you live within 15-mile radius of our Muenster Tasting Room, you may opt for home delivery. All deliveries will be made by the 15th of the following month. Delivery charge = \$10.00

- **Important Note Regarding Wine Selections for Your Club:** Our club – regardless of the level at which you join – is a user choice club, which means you are free to select any specific wines you like for your shipment. However, 4R reserves the right to make substitutions as necessary.
- **Timing of Wine Club Benefit Activation:** From the moment you join the wine club, you will immediately be able to take advantage of all your membership privileges and discounts. If you join during a wine club month, you may take home your shipment for that month at the 20% discount. If you join in a month that is not a wine club month, your first shipment will occur in the next available wine club month.
