MERLOT

This fruit forward Texas Merlot has notes of red berries and plums with soft tannins. It is a light hearted fruit bomb that is sure to cure that easy-drinking red wine craving. Pair it with pork and lamb dishes for an enjoyable meal.

Texas Custom Wine Works Estate Vineyard

Located in the heart of Terry County, known as the "Grape Capitol of Texas", this small vineyard plot of merlot is an extremely low vigor site which produces a very small canopy and small grapes that are usually one of the earliest red varieties harvested in the Texas High Plains. The small grape size and low vigor contribute to concentrated aromas in the finished wine.

Where the short-grass prairie drops into the Red River Valley, 4R Ranch Vineyards & Winery is located in the midst of some of the most beautiful scenery that North Texas has to offer. Patriarch W.C. Roper encouraged his sixth-generation Texan family to share the beauty of this extraordinary place with others. The creation of 4R Ranch Vineyards & Winery is the product of that dream.
